

Coca-Cola freestyle | Crew Connect via myCoke App

Introducing!

The myCoke Mobile App enables crew members to **monitor dispenser ingredients** via their smart devices, with no disruption to dispenser function. It helps crews efficiently maintain the dispenser by **notifying them of required cartridge change-outs and cleaning tasks**.

myCoke App is available for iOS or Android devices:

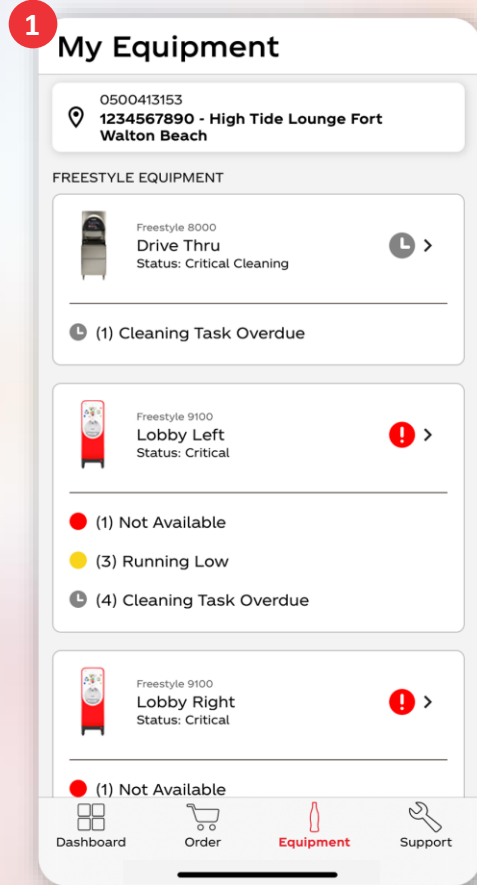

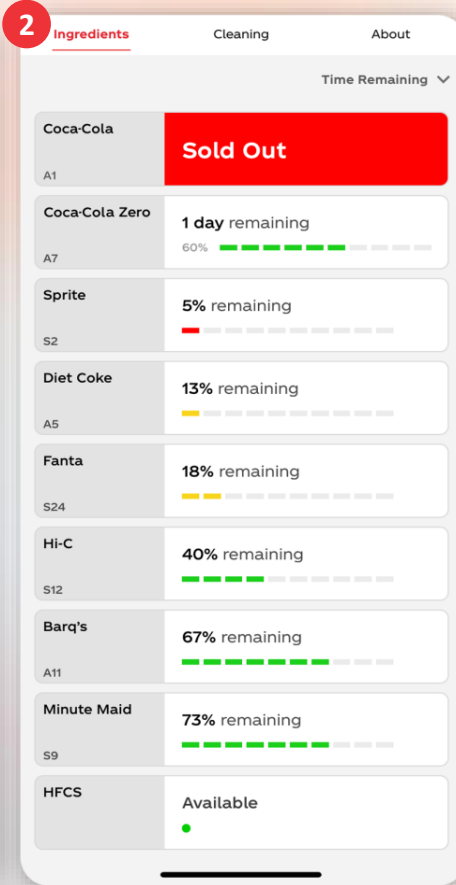

Coca-Cola freestyle | Crew Connect Functionality and Features

Also included:

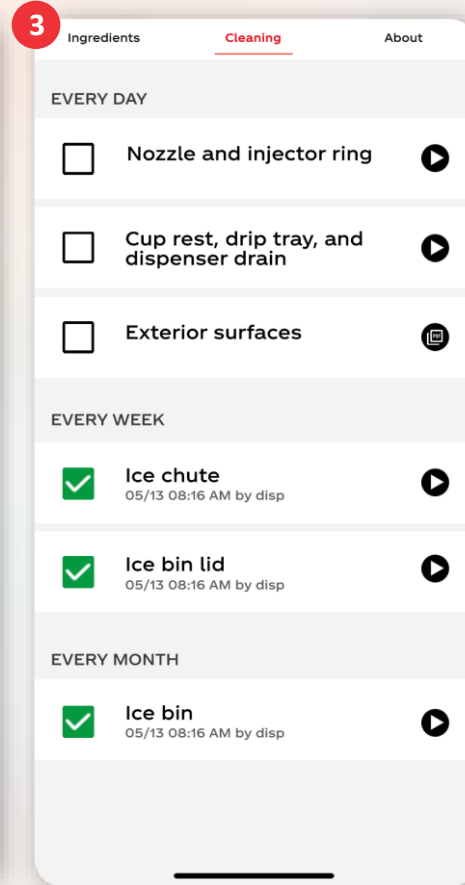

Essential Resource Links
Connect to online cleaning and maintenance resources via Coca-Cola Freestyle iLearn
